The noxious staff is a level 90 two-handed Magic weapon made by combining a spider leg with Araxxi's eye at level 90 Crafting.Players may obtain the pieces needed for the staff by killing Araxxor and Araxxi.It requires level 90 Magic to wield.. The staff becomes untradeable once used (or broken), but fully repairing it will make it tradeable again. Araxxor smashes his front legs at the player, dealing melee damage with an attack range of 4 tiles. This attack has a chance of applying a hard, typeless bleed to the player. The damage dealt by the bleed scales with enrage and it deals around 3-5 hits each time that it is applied.
